Seniors can purchase quote space under their portrait to display a quote of their choice. Popular choices last year included tv show quotes, lyrics, and verses from the Bible. This space is not generally used for a message from parents, just for a fun quote of the senior's choice.

Quotes are available for senior students only. The quote will be displayed under the student's portrait in the senior section of the yearbook. Quotes are limited to 140 characters (same length as a tweet) and absolutely MUST be school appropriate. If for any reason the quote is deemed inappropriate or too long, money will not be refunded and no quote will be displayed. Please **NEATLY** print your quote choice below - if we can't read it, we will not print it. Choose carefully, a quote is forever.

***** This quote will be printed EXACTLY as you write it if approved. Please check for spelling, grammar, punctuation and correctness before submitting! If you write in ALL CAPS, so will we!**
